Attention Parents:

My 8th grade homeroom is putting together the Veteran's Day Assembly on Friday, November 10. We are needing some information about the Veteran you would like to invite. I need a picture, their rank, branch and dates they served. We are putting on a PowerPoint and presenting each Veteran with a flag. Because of this, I need an exact count and all of the above information as soon as possible. I will need this information by October 15. Please help my students and I put on a great assembly for these well-deserved Patriots. You may send this information with your students and they can bring it to me. We will take very good care of the pictures. I will send more information about the assembly at a later date.

Thank you,
Jo Stewart and the 8th grade class

Parent/Teacher Conferences

Your child's homeroom teacher will be contacting you to schedule conference times. Grades 6th-8th will meet with their child's homeroom teacher. If you need to meet with another teacher, you can wait for availability the night of conferences or schedule a time during the teacher's planning period.
