## South Rock Creek Car Riders

A road has been built on the south side of the school to facilitate the construction of the four new classrooms. Because of this, the buses have been relocated to the north side of the building. Therefore, the car rider line will enter and exit through the gravel parking lot.

**All students** should be dropped off and picked up in the car rider line. Please be courteous to each other.

Parents, calling the school office should be reserved for emergencies, so please:

~Discuss daily plans with your child BEFORE they get to school.

~Check the school website for needed information.

~Send a note or email your child's teacher. (Email addresses are on school website.)

## The year the ORES State Softball Tournament

will be played in Seminole on September 14. Make plans to come out and support your Lady Rockets!

## Medical Conditions and Allergies

Please let Mrs. Wines, our school nurse, know if your child has any medical conditions or severe allergies that she should be aware of. Her email address is [cwines@src.k12.ok.us](mailto:cwines@src.k12.ok.us).

## Shark Tank Comes to SRC

Students in the 7/8 grade Computers Plus class have been busy designing products to present for investment. Presentations were made to "Sharks" Reba Sparks and Jeff Mize, on August 29, at First United Bank on Independence. We would like to thank our Sharks and Mr. Duffell for allowing us to use the bank's conference room and equipment.

Mr. Rosser and Mrs. McIntosh, announced the Sharks' decisions to the young entrepreneurs on August 31. All four projects were awarded money to proceed with their products.

Congratulations to the four teams:
