September 4, 2020

Parents and Guardians,

We have just been informed that through special COVID related funding the United States Department of Agriculture will allow ALL students to eat lunch for free! This will run from September 1, 2020 through December 31, 2020. We will wait and see if the USDA extends the program after December 31, 2020. We will notify you in December as to the status of the program.

Meals purchased between August 14, 2020 and August 31, 2020 will be charged to student's accounts. If your child has a lunch balance please pay as soon as possible. Any current lunch monies will remain on the student's accounts.

Feel free to contact the school if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Mike Crawford". The signature is written in black ink and is positioned below the word "Sincerely,".

Mike Crawford, Superintendent
