

Dear Parents,

If your child is a car rider after school, he/she will need a sign which is to be placed in the vehicle so that the teachers on duty will recognize you, or a designated person, as the person who is allowed to pick up your child. **Please make sure you request signs even if your child is sometimes a car rider after school.**

Please place this sign on the right side of your windshield or attach it to your visor. By placing the sign in your windshield, the duty teachers can see who is in line and can make sure your child/children are in the proper place to be picked up.

Not only do these signs help the car line move quicker, but they also enable the teachers to know if they are putting the children in the proper vehicle. **For safety reasons, we will only allow children to get in a car which has a sign issued by the school.** If the vehicle does not have a school issued sign, the car's driver will be asked to pull around front and show his/her driver's license to the front office before allowing a child to get in the car. While this may cause somewhat of an inconvenience, please understand that South Rock Creek has your child's safety in mind.

Thank you for your cooperation,

Mike Crawford

****Please make sure that you have enough signs for each person who might be picking up your child.****
